Projects under MOUs signed in China will get going very soon, says Anwar

KUALA LUMPUR: The record RM170bil in investment deals inked under 19 memorandums of understanding (MOUs) between Chinese and Malaysian businesses are not just for show, says the Prime Minister.

"(China) Premier Li Qiang and I decided not to entertain nine other proposals... (that) did not have a specific time frame to launch by year's end or at least early next year," Datuk Seri Anwar Ibrahim said in reply to Fong Kui Lun (PH-Bukit Bintang) in the Dewan Rakyat on Tuesday (April 4). "It was decided that the MOUs will be monitored by both nations, in particular by the International Trade and Industry Ministry (Miti) and Li Qiang in China," he added. Fong had asked if the MOUs would be translated into action and were not signed in front of the leaders merely for show. He also asked if a special committee would be set up to monitor the implementation of

projects under the MOUs. Anwar cited the MOUs between Zhejiang Geely Holding Group Co and Rongsheng as examples of projects that will be launched soon. He said Geely and Proton (DRB-Hicom Bhd) have agreed to launch the jointly-developed automotive high-technology valley in Tanjung Malim, Perak for new energy vehicles early next month. The MOUs were investment commitments covering several fields such as green technology, digital economy, automotive, transport, and electronics and electrical manufacturing.

Meanwhile, Anwar said the Cabinet will discuss the need for a special committee to monitor the implementation of the MOUs this Friday (April 7). However, the Prime Minister said he was satisfied with the effort put in so far by Miti, the Malaysia External Trade Development Corporation (Matrade) and the Malaysian Investment Development Authority (Mida).

“*Inilah Masanya, Cuti-Cuti Malaysia*” (Now is the Time to Cuti-Cuti Malaysia) was officially launched as the new slogan and theme song for the 2023 Cuti-Cuti Malaysia campaign by Tourism Malaysia.

Datuk Seri Tiong King Sing, Malaysia’s Tourism, Arts and Culture Minister said that the tagline is an appeal directed to Malaysian travellers to continue to support the local tourism industry by choosing to travel domestically, in order to help boost the post-pandemic recovery for the local travel and tourism industry. “Through this campaign, it is hoped that more Malaysians will travel across the various states to contribute to the local economy,” Tiong said in a statement released by Tourism Malaysia.
