PM: M'sia will transition into endemic phase from April 1

KUALA LUMPUR: Malaysia will begin transitioning into the endemic phase starting April 1, says Prime Minister Datuk Seri Ismail Sabri Yaakob.

The Prime Minister said during the transition period, operation hours for businesses will no longer be limited, but face masks will remain mandatory. Social distancing will also no longer be imposed at mosques and places of worship. Ismail Sabri said this was part of the government's "Reopening Safely" plan.

"After taking into account feedback and risk assessments by the Health Ministry, as well as studying the recommendations of the Ministerial Quartet, I would like to announce that Malaysia will enter the 'Transition to Endemicity' phase starting April 1.

"The transition to endemicity phase is an exit strategy that will allow us all to return to normalcy after almost two years of battling Covid-19.

"This is also a temporary stage before the country truly moves into the endemic phase, which is subject to the World Health Organisation (WHO)'s announcements," said Ismail Sabri at a press conference at Parliament on Tuesday (March 8).

Ismail Sabri said with removal of business hour limitations, the ever-popular mamak restaurants will be able to resume their 24-hour operations. "Starting from April 1, business owners are allowed to carry out operating hours on their respective premises in accordance with the terms of their operating licences.

"This means you can all dine in after midnight, especially with Ramadan coming soon. We will be able to have our sahur outside," said Ismail Sabri.

Other relaxations of Covid-19 curbs that will be effective April 1 include the removal of the 50% capacity limit for event venues. Ismail Sabri said this includes weddings, which are currently only allowed to fill up 50% of the venue occupancy.

"There will no longer be the 50% capacity limit. However, organisers are encouraged to continue imposing physical distancing rules," he said. Check-ins on MySejahtera will still be required for entry into premises, but exceptions are given to open areas that are not crowded and have no large gatherings.

However, the MYSJTrace function must be used at indoor places with a large number of visitors.

Ismail Sabri said the government felt it was a suitable time to start transitioning into the endemic phase due to the high vaccination rate. He said although there is a surge in Covid-19 cases due to the Omicron wave, the percentage of severe infections is at a low 0.7%.

"The number of Covid-19 patients that require treatment and observation in intensive care units (ICU) is at 42% of capacity, which is under control. "At the same time, 98.7% of the adult population are fully vaccinated, with 64% already receiving booster shots," he said.

首相：大马401开放国家边境 完成疫苗接种者入境无需隔离

(吉隆坡8日讯)首相拿督斯里依斯迈沙比利宣布，我国于4月1日重开边境！他说，在开放边界后，所有已完成疫苗接种入境者，无需强制隔离。他今日在国防部高级部长拿督斯里希山慕丁、财政部长东姑赛夫鲁及卫生部长凯里的陪同下，在国会媒体室召开新闻发布会时说，尽管决定开放边境，但政府依然规定，从国外到大马的人士，启程出发到大马的前2天需进行聚合酶链反应 (RT-PCR) 冠病检测，而入境后的24小时内需在专业医护人员监督下，进行抗原快速检测试剂 (RTK-Ag)。

首相指出，随着我国开放边境，这也意味国人可以随意出境，

只要有关国家也开放边境。在这之前，卫生部建议一旦超过70%成人完成接种加强针及半数儿童接种，我国便可开放国家边界。2月8日，国家复苏理事会主席丹斯里慕尤丁表示理事会同意及建议，最早在3月1日全面开放国家边界，此外，入境者也无强制隔离。

不少国家和地区已陆续开放国门，其中新加坡卫生部长王乙康透露，新加坡也计划停止实施疫苗接种者旅游通道 (VTL) 制度，并准备欢迎来自世界各地完整疫苗接种的游客到来。他说，于去年9月启动的疫苗接种旅游通道计划已扩展至约30个国家与地区，但现在是需要前进的时候了。

“Best Places to Travel in The World” #27 - Malaysia

《全世界最佳旅游目的地》 - 马来西亚高居第27位

Out of the 50 countries in the world, Malaysia was placed at 27th in US-based online travel guide – Travel Lemming. The founder of the online travel guide was quoted saying “If you have always wondered what travelling to the South-East Asia was like before the era of mass tourism, you might just have the chance to find out in Malaysia in 2022.” He pointed out that tourists are largely fascinated by Malaysia’s natural wonders, historical sites and its melting pot of cultures and cuisines.

He also said that “Travelers looking for a safer experience will look for places that have relatively higher vaccination rates, like Malaysia.” Malaysia’s sandy beaches, hawker food, and natural rainforest came highly recommended by Travel Lemming, while highlighting that December to April would be the best time to visit Malaysia.

Travel Lemming is followed by more than a million readers from the United States and Canada annually.

在全球50个国家中，美国在线旅游指南Travel Lemming将马来西亚排名第27位。该在线旅游指南的创始人说：“若你一直想知道大众旅游时代之前的东南亚旅游是什么样子，那么在2022年你可能就有机会在马来西亚找到答案。”他指出说，游客们对马来西亚的自然奇观、历史古迹以及它的多元文化和美食感到非常着迷。

他更表示说，“以安全旅游体验为前提的游客们将会寻找疫苗接种率相对来说比较高的目的地，而马来西亚就是其中之一。Travel Lemming极力推荐马来西亚的海滩、街边小吃和天然热带雨林，并强调12月至4月是游览马来西亚的最佳时期。

每年都会有100多万来自美国和加拿大的读者浏览Travel Lemming。
